OUR TEA

FAMILY COMPANY

Family Tea company Dilmah was founded by Merrill Fernando, one of the most experienced tea tasters in the world. Dilmah owns the best tea gardens of Sri Lanka and every part of the tea production is done by Dilmah itself. Dilmah tea is freshly packed at source and therefore rich in flavor, quality and natural goodness. Dilmah reaches you without the unnecessary involvement of the middleman. Earnings from Dilmah remain in Sri Lanka and are shared with the workers and the community. Dilmah tea is ethical tea! Merrill Fernando is assisted by his sons Dilhan and Malik (the brand name Dilmah is formed by the combination of their names) and a team of dedicated experts, who with passion watch the quality of the tea every step of the way.

DILMAH TRADITION

Dilmah respects the traditional way of producing tea, as perfected through time by many generations. Dilmah keeps and protects this tradition. In this way the tea industry in Sri Lanka can keep evolving and you can enjoy your real, pure Dilmah tea for a long time to come.

OUR SELECTION OF TEAS

WHITE TEA

Ceylon Silver Tips White Tea

€16,00

A rare white tea from the Nuwara Eliya region of Ceylon, Grown at 6.000 feet elevation. The tender buds of the plants are handpicked at dawn before being sun dried and hand rolled, producing the characteristic silver-, needs-like buds. Their pale liquor is delicate and mild on the palate with a touch of the 'greenish' seasonal high grown character in the finish. The beauty of the infused buds adds to the pleasure of this unique brew.

HERBAL INFUSION

Pure Chamomile Flowers

€12,00

Chamomile is a gentle and relaxing herb enjoyed by Europeans as a tonic for centuries. The daisy-like Chamomile flower has an unlifting aroma reminiscent of apples. It's subtle flavor is concentrated in the flower and this infusion therefore offers the infusion of the Chamomile flower. Chamomile has a serene character and wonderful aroma. It is often enjoyed as a gentle, naturally caffeine free infusion in the evening.

Organic Rooibos

€12,00

Rooibos is a traditional South African herbal beverage that produces a clean and pleasant infusion. It is naturally caffeine free. The Flavour is mild and slightly nutty, with a touch of sweetness. Rooibos infusion can be enjoyed with a twist of lemon or silver of ginger.

GREEN TEA

Green Tea with Jasmin Flowers € 8,00

A gentle green tea in fragrant and delicate union with natural Jasmine petals. The soft, mildly sweet and mystical aroma of Jasmine is enthralling in its combination with green tea. The Natural combination offers a refreshing and soothing beverage that is also a delicious palate cleanser.

Ceylon Young Hyson Green Tea € 7,00

A bright Single Region Cylon Green Tea grown at 1,400 feet above sea level. Elegant in appearance, the long, well twisted leaf yields a pleasingly gentle brew. The large leaf unfurls when infused, often revealing a full tea leaf. The Somewhat brisk green tea presents a herbal note and some fruit which come together in a clean finish with a hint of sweetness. A delightful accompaniment to food, especially fish and salads, and a relaxing afternoon tea.

Sencha Green Extra Special € 8,00

Sencha is a steamed green tea, the most popular tea in Japan where it's delicate flavor, and mild finish are especially appreciated. Sencha offers a gentle cup, and a smooth, herbal finish with a touch of sweetness. This is a pleasing and refreshing green tea and can be enjoyed throughout the day. It is a ideal accompaniment to lunch or dinner, aiding digestion and refreshing the palate.

Moroccan Mint Green € 6,00

Gently uplifting, this combination of green tea with Peppermint leaves produces a delicious and all natural tea experience. The olive green Hyson leaf is tightly curled but opens dramatically when infused, yielding a medium strength amber liquor of tea embraced by Peppermint.

BLACK TEA

Single Estate Darjeeling

€ 9,00

Various shades of dark browns, greens, yellows and a hint of blue in this loose twist leaf are eye-catching. The infused leaf, cut and broken green leaf with red edges are unexpected. Liquor of dark gold and orange. Light aromas of tobacco and hay hint of a delicate tea. However this is a medium bodied tea of medium astringency. A strong upfront bitterness is detectible in the mouth and the flavour of flowers and oak present themselves in a tea that has a refined nature. There is even a hint of Muscat in the flavour. An enthralling tea.

Prince of Kandy

€ 6,00

A high grown Ceylon tea, delicate with the almost greenish character that represents seasonal quality. The perfect afternoon tea, with a golden infusion and light flavour that complements scones, shortcake or sweet pastry. This is a special tea, and when brewed properly, ideally using spring or mineral water, a delight to the eye and the taste buds.

Earl Grey Tea

€ 6,00

A legendary tea, named after Charles, 2nd Earl of Grey and former Prime Minister of England. This tea is a combination of a rich and full bodied Ceylon Single Origin Tea with the flavour of Bergamot, a citrus fruit that is native to Calabria in Italy. The strong and distinctive Ceylon Tea partners harmoniously with the Bergamot flavour to offer an authentic Earl Grey Tea. Full bodied yet aromatic, with hints of citrus and a lingering and mildly sweet floral note, this is a majestic tea.

Rose French Vanilla

€ 6,00

A seductive tea, combining a fine Single Region Pekoe from the Nuwara Eliya region with the sensuous and almost mystical fragrance of rose petals. Celebrated throughout history for its romance, the rose is one of the most pleasing of flavours. The gentle tea is encircled by the soft and slightly sweet aroma of red Rose to offer a alluring and gentle brew. The Rose fragrance is tinged with the flavour of French Vanilla.

PU-ERH TEA

Pu-Erh No1 Leaf Tea

€ 9,00

Renowned in China for its medicinal value, Pu-Erh has been popular since the Tang-Dynasty when it was taken to relieve indigestion and more recently to reduce cholesterol. This is a semi-fermented tea with a typically earthy taste. Its prominent woody character with hints of herb is unusual among Chinese teas which are usually light and floral. This is the result of the post-fermentation process unique to Pu-Erh.

OOLONG

First Ceylon Oolong

€ 12,00

A noble tea, relished in the East since the end of the Ming Dynasty for its expression of the art of teamaking and its gentle sophistication. Oolong is a fragrant and gentle tea, semi-fermented and demanding precision in its manufacture.
