

Welcome to my bar. This is where I, as a born and raised 'Amsterdammer', feel at home. I meet with friends to catch up and have a beer together. We tell each other jokes. Have a tasty bitterbal with live piano music in the background. Drink a whiskey or a dry white wine. No friends around? I am a curious cosmopolite, I will just as easily speak with international guests. That mix of people, that's what it's all about. This is where I come for good conversations, so my phone I leave in my pocket. Really, I would want to have 5 bodies in order to simultaneously - like a true homo universalis - have my 5 favourite jobs: advertiser, photographer, inventor, composer and anthropologist.

Are you still following me?

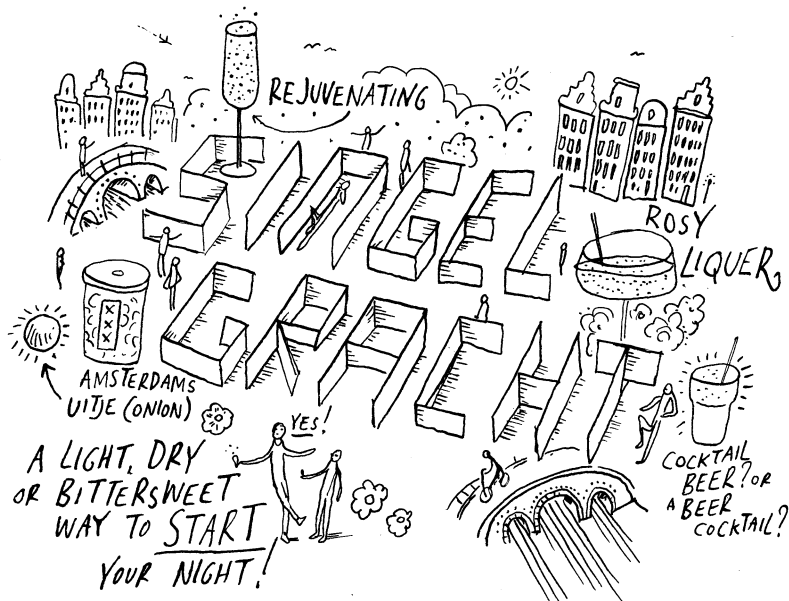

To multi task and do things in quick succession is simply part of me. I just like to get involved with anything and everyone, think of new advertising campaigns, write music with my friends Frank Sinatra, Lady Gaga, Herbie Hancock, Justin Timberlake, 'Toots' Thielemans, Pharrell and Adele. Play quite a nice tune myself as well. Beer and music are in my genes. My mind is always active. Guessing the zodiac sign of people I have just met is a nice pastime. It really gives me a lot of joy. I am a scorpio myself, so beware.

Quality and proper service I find very important. And a nice, 'gezellige' atmosphere. I am a 'bon vivant' who loves life and a family man. I love all good things life has to offer, tasty food, beautiful paintings, cars, boats, a nice home and a fine hotel. That's what I come out for. However, I work hard for it. And prefer to relax in trusted surroundings. Like here.

Freddy's. Spelled with a 'y' and why not?
